Position Description Updated: 3/30/2024

Transformational Therapy Services (TTS) is a Trauma-Responsive Agency. This means that we use the CDC and SAMHSA's guiding principles for Trauma-Informed Care to guide our work and every interaction we have with our work peers and our clients:

Safety Trustworthiness & Transparency Peer Support

Collaboration & Mutuality Empowerment & Choice

Awareness of the impact of cultural, historical & gender issues

PURPOSE of the POSITION: This position is for either part-time or full-time 1099 contractor therapists to join a phenomenal collective of contractor therapists who support each other and clients in providing transformational addiction, mental health, and trauma-related therapy. This position may provide group therapy, individual and/or relational therapy to clients of TTS either in person or via telehealth.

RESPONSIBILITIES

Essential Functions: Duties including, but not limited to:

Counseling Services:

- Provide trauma-responsive individual, relational, and group therapy to clients of TTS.
- Maintain a varying caseload of clients for which you will provide high-quality behavioral health care service to.
- Provide chemical health and/or mental health assessments based on your licensure level.
- Provide education to clients and community members in areas related to health and wellness, in individual, couple, family, or other small group settings online or in person.
- Maintain accurate and up-to-date case files in our EHR, document all services within 24 hours of service delivery.
- Attend weekly supervision.
- Follow all aspects of your Code(s) of ethics.
- Comply with HIPAA, and/or CFR 42, part 2, whatever regulations apply to the needs and situation of your client.
- You agree to respond to any requests for service within 24 hours of receiving the request – this is not expected when you are on your days off.
- Maintain your license in good standing, complete required annual and bi-annual trainings, and alert your supervisor if there is any change in your license, or should you receive any investigations or disciplinary action from your licensing boards.
- Maintain your own personal liability insurance with coverage rates of 1 and 3 million dollars of coverage respectively.
- You will need to play an active role in the recruitment of clients for your caseload.
- It is the expectation that you positively represent TTS in your professional interactions and provide top-quality, top-tier customer service and care.

Minimum Requirements:

- **Be eligible and meet criteria as a Mental Health Practitioner in Minnesota (MN Statute 245.462, Subd.17), or a Mental Health Professional, meeting criteria outlined in MN Statute 245I.04, subd. 2.**

Preferred Qualifications:

- Dual licensure in addictions and mental health
- Advanced training in trauma: ACT, EMDR, Brainspotting, Etc.

Physical Requirements:

- Must be able to sit for long periods of time.

- Must be able to multi-task and complete documentation according to standards and in expected timeframes.
